

A cheerful cartoon mouse character is the central figure. It has blue fur, large blue eyes, and a wide smile showing its teeth. It wears a blue and white baseball cap, orange sneakers with white laces, and a blue and white striped shirt. The mouse is holding a colorful beach ball with red, white, yellow, and blue segments. It stands on a sandy beach with a blue ocean and a light blue sky in the background. To the left, there is a large thatched umbrella and two wooden lounge chairs. To the right, there is a sandcastle with a small orange flag on top. A red bucket with a yellow shovel and a red rake is on the sand near the sandcastle. Three white seagulls are flying in the sky.
